**Subject:** Meeting Tomorrow! Cross-Agency PFAS Coordinating Committee

I think that we discussed a while back that you might become the OCSPP leader to participate on this committee. It's chaired by Tom Sinks and currently has Acting AA's/DAA's as members. Purpose is to coordinate policy/program action as well as technical, so different than the group that Tala serves on, which is focused on technical/science issues.

Sorry for the short notice, but there's a meeting tomorrow at 1:00, called by Tom Sinks. It would be great if you can start participating at this meeting. I will try to forward the invitation to you and will also let Tom Sinks know that you'll be the OCSPP rep going forward. Let me know ASAP, please, if you can't join the 1:00 meeting tomorrow.

Thanks, Jeff!
